Chief Master Sergeant Corinne Aimable Benevolent Fund

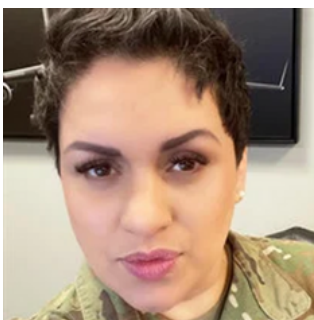

This fund has been established in honor of a woman whose legacy will not be forgotten and whose impact has spread wider than we may ever know. CMSgt Corinne Aimable made it her life's work to invest in those around her, tirelessly helping others become the best they could be. Her commitment to her faith, her family, and her coworkers & peers has left an indelible impression and has inspired others to carry on her acts of benevolence and her legacy by supporting others in their need. Likewise, the benevolent fund established in her name is designed to continue to do just that.

As Timothy Christian Academy (TCA) has played an important role in the lives and education of Corinne's girls, the school has been chosen as the overseers of this benevolent fund. Any TCA families who are experiencing financial hardship because of the loss of a family member; a health-related or long-term disability or illness; or those who maintain an affiliation with the Armed Forces; the Aimable family would like to stand in the gap for you through financial support, in honor of Corinne's desire to "strengthen [her] people."

Families in need who are interested in learning more about the "Chief Master Sergeant Corinne Aimable Benevolent Fund" should speak with Dr. Dawn Adams at TCA (1341 Woodlane Rd., Eastampton, NJ) to take part in an initial needs assessment and to receive additional information about the benevolent fund application process.
